RISE HACKATHON 2026

From school learning to real-world engineering.

Build. Think. Adapt. Present.

GRADES	TEAM SIZE	CHALLENGE TRACKS	GRAND FINALE
6-11	1-3 learners	5	28 NOV 2026

Five tracks. Real industry challenges.

Turn your ideas into working prototypes.

01	Robotics, Embedded Systems & Automation	ATUMX
02	Applied STEM & Engineering Innovation	Chitti
03	UAVs, Aerospace & Autonomous Systems	AEROVAULT
04	Industry 6.0 & Intelligent Industrial Systems	PlantLens
05	Open Innovation & Real-World Engineering	OPEN INNOVATION by the RISE Team

Key dates

2026

12 OCT	Registration opens
31 OCT	**Registration closes** Abstract & PPT
04 NOV	Shortlist
05-14 NOV	Prototype video submissions
17 NOV	Grand-finale shortlist
17-24 NOV	Mentoring & refinement
28 NOV	**Grand finale**

Industry mentoring

One 15-minute expert session for each selected finalist team.

The RISE Twist

A surprise final-day challenge tests adaptability and innovation.

Recognition

Prizes, goodies and certificates for outstanding teams.

Register by 31 October 2026

thepupilhackathon.com

Submit your abstract & PPT.

One-time fee: ₹500 per selected team.

Pay after 17 Nov through the team leader.
